- ❖ *Mission:* The Marine Corps Scholarship Foundation exists to provide financial assistance to the children of Marines and of former Marines pursuing higher education at accredited universities, colleges, vocational and technical schools.
- ❖ Since 1962, the Foundation has provided more than **\$34 million in academic needs-based scholarships** to upstanding and deserving sons and daughters of Marines with particular attention given to children whose parent was killed or wounded in action. More than 21,000 scholarships have been awarded to date.
- ❖ In the 2007-2008 academic year, the Foundation awarded over **\$3.49 million** in scholarships to **1,044 students** across the nation. The combined average family household income of these recipients was only \$41,650. To qualify for this scholarship, the family household income can not exceed the highest base pay of a Sergeant Major, which is currently \$77,000.
